

PARTS CARE PROGRAM

**Protect Your Investment
Optimise Performance**

OEM Parts with 36 Months Warranty!

HOW DOES IT WORK?

1 The Robox Lobe will leave the factory with the Commissioning-Start-Up Kit along with full instructions of the commissioning procedure.

2 You receive the confirmation of extended warranty registration.

3 At a pre-determined time an email reminder will be sent for the 500Hr Oil change along with other checks to be carried out.

At month 11 after commission a further email reminder will be sent out with a list of operations to be carried out (Eg. Oil & Air Filter change- service operations are detailed in the Operating Manual and are shown on the Service Decal affixed to each machine)
